## MESSAGING

If you're part of a Team, click on this to view your Team Page details

If you're part of a team, your team details will show here

Click on this to send a readmade email, set autoposts or post a one-off message on social media. Remember, you must be 13 or over to have a Facebook account and you should check your privacy settings are appropriate first

This shares your page link on Facebook. Remember, you must be 13 or over to have a Facebook account and you should check your privacy settings are appropriate first

If you've entered an event, the details will show here

Switch this on so that whenever you reach a milestone in your fundraising, a message will be posted on Facebook. People who do this raise twice as much as those who don't

Use this to tell everyone how your fundraising is going

This is where messages from you or your sponsors will be shown

Add a photo to make your page feel more personal

Add a message to tell people what you're doing and why you're doing it

Change details about your page here

Use these top tips to help you raise more

Set an ambitious target to motivate your family and friends. If you reach it, you can always set a new one

Here's where your parent/guardian can record and pay in any cash you've collected in person

This is how much has been paid on to your Giving Page online

The pending amount includes any cash that you have collected in person, but haven't yet paid in. Your parent/guardian can pay this in for you

Click on the amounts here to see what the money you raise could do. Sponsors can do the same
